

LGMA Queensland Villages Membership Application

MEMBERSHIP

LGMA Queensland is pleased to present the **Villages**. Each Village has been set up for a special interest group within local government and enables members to link with professionals in other Queensland areas who are undertaking similar functions. We encourage you to become a member of the Village that best suits your current position with membership to the Women in Local Government Village available as a second option to all members.

The Villages provide a valuable forum for professionals to share information and knowledge, provide professional development opportunities, establish best practice standards across the sector and identify opportunities for expert input. To further facilitate information sharing and networking opportunities, each Village will also conduct a number of events throughout the year.
