

Invitation

Public Sector Property Forum - Innovation & Excellence

Please join us for the *Public Sector Property Forum – Innovation and Excellence*. The new networking event, hosted by **Neil Bray** will provide Public Sector Property Professionals with insights into leading research, market updates and innovation. Key topics from Leading Industry Professionals include:

- Megatrends shaping the future of Queensland's transport system out to 2048
- Digital Twin initiatives in Australasia
- South East Queensland property market update
- Reform of the Titles Registry and the move to the Queensland Future Fund
- Update on compulsory acquisition and recent Land Court Decisions
- The key recommendations of the QAO's 'Local Government 2020 – Financial Audit Report'
- Valuation Practice Update – Fair Value Measurement of restricted assets
- International Public Sector Accounting Standards Board (IPSASB) proposing a different measurement basis
