### Personal Vision – Sample

---

Your vision statement can be a sentence or two.

For example, Oprah Winfrey’s vision is:

*“To be a teacher. And to be known for inspiring my students to be more than they thought they could be.”*

And Richard Branson’s vision is:

- *“To have fun in [my] journey through life and learn from [my] mistakes.”*

Or your personal vision statement can be a page long.
