

LGMA Queensland Privacy Policy

LGMA Queensland acknowledges and respects the privacy of individuals.

Some of the information you provide to LGMA Queensland is “personal information”, as defined in the *Privacy Act 1988* (the “Act”). This information is being collected for the purpose of: processing your application for membership; processing your registration to an event; keeping you informed of upcoming events; marketing the services of LGMA Queensland to you; and enhancing and developing LGMA Queensland’s relationship with you. The provision of the information is voluntary but if this information is not provided, LGMA Queensland may be unable to provide these services to you.

A privacy statement is included on the registration form for each LGMA Queensland event, advising that, at the commencement of each event, LGMA Queensland will distribute to each registered attendee a list detailing the name of each person who registers to attend the conference or event and the council or organisation they represent (if applicable). This list, together with the email address of every registered attendee, is also made available to corporate partners so they can conduct research and market their services to you. Each registration form provides the opportunity for you to opt out of:

-) having your information distributed amongst delegates and partners;
-) having your information added to LGMA Queensland’s database and mailing list; and
-) having your photographic image used to further promote and advertise events offered by LGMA Queensland.
