

LOCAL GOVERNMENT INDUCTION PROGRAMME

A complimentary benefit for LGMA subscribing councils

ABOUT THE PROGRAMME

This induction programme provides an introduction to the local government sector as a whole.

It is designed to complement Council's own induction programmes.

The programme consists of six modules covering:

- An introduction to the sector;
- Key legislation;
- Funding;
- Decision-making;
- Monitoring;
- Understanding the local government environment

PROGRAMME FORMAT

This induction programme can be delivered by one of three methods as required by council.

Option One

Face-to-face delivery facilitated in-house by council staff

Option Two

Self-paced learning files (video)

Option Three

LGMA facilitated face-to face delivery in-council (at additional cost)

This kit provides facilities for self paced learning fit to support options one and two.

PROGRAMME OUTCOMES

Participants will develop an understanding of the legislation and funding environment in which Queensland local government operates. They will learn which elements of council process are impacted by legislation and those elements which are at council discretion.
