

The LGMA Propeller Programme is a dynamic professional development programme offering participants a broad understanding of local government in Queensland – its nuances, challenges and opportunities.

The LGMA Propeller Programme offers a tailored blend of knowledge sharing from experienced local government specialists and experiential learning, providing intensive interaction amongst Propeller participants and host councils.

If you want a long-term future in local government, this programme is the best place to start.

Spaces are limited so secure your spot today and kick start your future!
