

Daniel Rowe

Born and raised in the UK, Daniel Rowe has been in Australia for 14 years and has over 25 years' experience within print/ Mail and digital communications.

Daniel commenced employment with Bing in 2022 and is responsible for developing and managing new business and key account relationships.

Daniel has proven competencies in solution deployment, decision making, communication and strategy development, team management and has the business acumen and technical aptitude required to oversee successful implementation and management of new projects.

When Daniel is not working, he loves nothing more than spending time with his beautiful kids and embracing a great appreciation for the Australian way of life.
